Yahweh's Calendar
2017-18

"The harvest truly is great, but the laborers are few; therefore pray the Master of the harvest to send out laborers into His harvest." Luke 10:2

Understanding Yahweh's Calendar

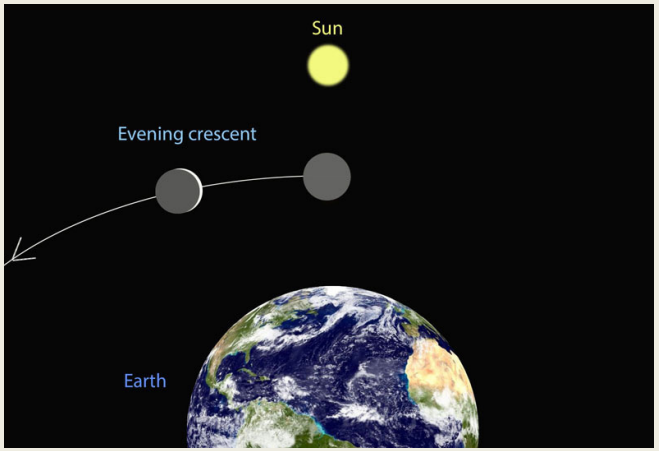
This calendar is based on the understanding that each new month begins with the sighting of a visible crescent moon, with the new year being determined by the condition of the barley harvest in Israel. This year, the barley will certainly be ready ("Aviv") by 3/28/17.

On average, the moon orbits the earth every 29.53 days. The picture to the left depicts how the moon will look at different times during its orbit.

During a full moon, the moon rises at the same time the sun sets. Because the moon and the sun are at opposite ends of the horizon, the part of the moon facing earth shines fully.

When the moon progresses in its orbit it will eventually reach the point where the sun is shining on the back of the moon. This is because the moon rises and sets with the sun. The moon is not visible to us during this time.

As the moon continues to progress in its orbit, the moon will set a little bit later than sunset. It is during this time that one will see a small sliver of light peeking around one side of the moon (see graphic on the right).



This reappearance of the moon is what we call "a new moon." The Hebrew word for "month" is "chodesh," which means "to be new," or "renewal."

In 1Kings 6:38, it says "in the eleventh year, in the month of Bul, which is the eighth month, the house was finished." The word translated "month" in "month of Bul" is the same Hebrew word for "moon." This is one reason why we know the moon phases determine the months on Yahweh's calendar.

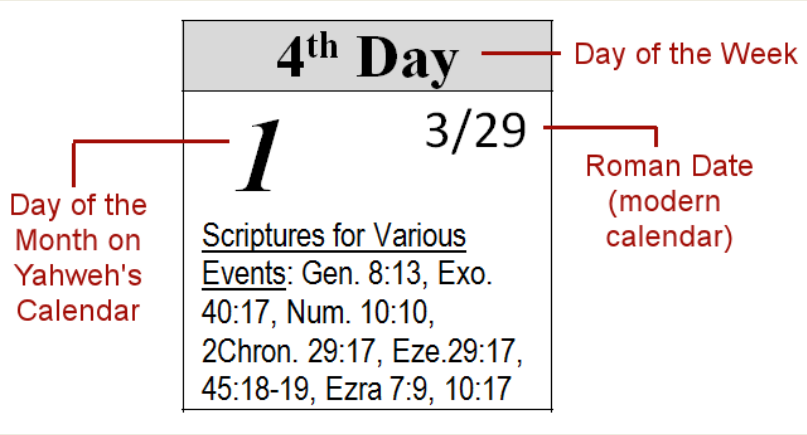
I know this seems strange to our culture, but the day will come when all nations will learn His calendar: "And it shall come to pass That from one New Moon to another, And from one Sabbath to another, all flesh shall come to worship before Me," says Yahweh." (Isaiah 66:23).

<u>Thus, you have in your hands the calendar of the future!</u>

How to Use this Calendar

When using the visible "new moon" to determine a new month, certain parts of the world will see the new moon before other parts of the world do. This is because not everyone experiences sunset at the same time. Thus, in Israel the moon may not have progressed far enough along in its orbit to see the new moon. But in the Americas, we may see the new moon because another 6 to 9 hours have passed, allowing the moon to progress further along in its orbit.

Some believe we should determine the new month according to the sighting of the moon in Israel. Others (like me) believe that if the moon is seen locally, but not in Israel, we should still consider it a new month. This calendar can accommodate both understandings. Also, moon charts have their limitations and some months are hard to determine without physically seeing the moon. For these reasons, each biblical month gives you the option of choosing 2 possible roman dates for starting each month. Flip to the one that fits your situation, or personal convictions.



To use the calendar, go ahead and flip forward this calendar one page and look for the 1st calendar date of that month. It will look like the graphic on the left.

The 1st calendar day lines up with the 4th day of the week (commonly called 'Wednesday'), with the large number ***1*** indicating that it is the 1st day of Yahweh's calendar. This corresponds to what's commonly called "March 29th." You can use this calendar just like you use a typical modern calendar, but this calendar places more emphasis on Yahweh's days of the month rather than the modern, Roman/Gregorian dates. Thus, the Roman/Gregorian dates are smaller and in the upper right.

If you look at the moon chart above that calendar page, it is used to determine the likelihood of seeing the new moon on the night of 3/28. The date on above moon chart is based on what we are used to (days beginning at midnight). But since, Yahweh's dates begin at sunset, the night of 3/28 (in His eyes) is actually the beginning of 3/29. Remember that when doing your calculation. At sunset of 3/28, the day of 3/29 (Nisan 1) begins.

Based on the moon chart on 3/28, the Southwestern half of the USA is in a darker shade of green than the Midwest and Northeastern side. This means that the moon will likely be seen in the Southwestern part of the country, but the atmosphere will likely need to be very clear and free of clouds in order for one to see the crescent moon in the Midwest and especially the Northeastern side. The moon will be very low on the horizon so a clear view of the horizon is needed to catch a glimpse of it. On that night, moonset is within an hour after sunset so your window of time will be small if you want to see the new moon.

If you are unable to confirm a sighting, the 1st day of that month will begin on the following night after sundown. Flip the calendar to the next page and you'll see the visibility chart for the night of 3/29. You'll then begin your month at sundown on the night of the 29th, going into 3/30. Each month following uses this pattern.

To hear about new moon sightings and/or to report a sighting, tune into the New Moon broadcast. See http://www.EliYah.com/newmoon/ for broadcast dates.

NOTE: *The 30TH DAY of some months will be listed on the following month's calendar whenever there wasn't room to place a 30th day.*

Also, day counts that bridge across 2 months may be off by a day or so, depending on whether there was a 30th day for the given month in your area. For instance, the flood was 150 days. We can't know if the month in your area of the world will contain 29 or 30 days. Thus, the disciples stay in Troas may also be a day different. The counting of the Omer (count to Pentecost/Shavuot), however, will be accurate.

May Yahweh be magnified! And may Yahweh help us to align ourselves with HIS timetable in Yahushua's Name.

1Ki 6:1 - And it came to pass in the four hundred and eightieth year after the children of Israel had come out of the land of Egypt, in the fourth year of Solomon's reign over Israel, in the month of Ziw, which *is* the second month, that he began to build the house of Yahweh.

The day that Yahushua last appeared to His disciples (40 days after resurrection) may very well have been the same day of the month that Noah stepped out of the ark and He heard the voice of Yahweh saying "Be fruitful and multiply" (Genesis 8:17). The waters of the flood had dried, and now it was time to multiply the seed of Elohim upon the earth. This was the beginning of Yahweh's attempt to establish a seed of righteousness on the earth through Noah, because Noah was "perfect in His generations" but the earth had been corrupted with violence and wickedness.

Likewise Yahushua the Messiah, after having appeared to His disciples for 40 days, entrusted them to spiritually “be fruitful and multiply” by proclaiming the good news through all the earth.

This month marks some key events which all tie in together, particularly around Shavuot (Pentecost). The Torah was given, the decision was made by Yahweh to allow Israel to have a King, He chose Yerushalayim, which became the dwelling place of His Spirit. And He poured out His Spirit on His disciples and gave the message of Messiah to all Israel...that we might also be a dwelling place for His Spirit, a new Yerushalayim.

Rev 21:9-11 - Then one of the seven angels who had the seven bowls filled with the seven last plagues came to me and talked with me, saying, "Come, I will show you the bride, the Lamb's wife." And he carried me away in the Spirit to a great and high mountain, and showed me the great city, the holy Jerusalem, descending out of heaven from Elohim

Fourth Month of Yahweh's Calendar

This is one of the few months where no specific name is given for it in scripture.

2Ki 25:1-5 - Now it came to pass in the ninth year of his reign, in the tenth month, on the tenth *day* of the month, *that* Nebuchadnezzar king of Babylon and all his army came against Jerusalem and encamped against it; and they built a siege wall against it all around.
[2] So the city was besieged until the eleventh year of King Zedekiah.
[3] By the ninth *day* of the *fourth* month the famine had become so severe in the city that there was no food for the people of the land.
[4] Then the city wall was broken through, and all the men of war *fled* at night by way of the gate between two walls, which was by the king's garden, even though the Chaldeans *were* still encamped all around against the city. And *the king* went by way of the plain.
[5] But the army of the Chaldeans pursued the king, and they overtook him in the plains of Jericho. All his army was scattered from him.

This month marks a time of great judgment on Yerushalayim, and many people of the land were sent away into exile—to the land of Babylon. For this reason, we see a fast is mentioned in Zechariah 8:19, which is still observed by many Jewish people to this day.

[2] So the city was besieged until the eleventh year of King Zedekiah.
[3] By the ninth *day* of the *fourth* month the famine had become so severe in the city that there was no food for the people of the land.
[4] Then the city wall was broken through, and all the men of war *fled* at night by way of the gate between two walls, which was by the king's garden, even though the Chaldeans *were* still encamped all around against the city. And *the king* went by way of the plain.
[5] But the army of the Chaldeans pursued the king, and they overtook him in the plains of Jericho. All his army was scattered from him.

This month marks another time of judgment. Aaron died in this month due to his sins, and the destruction of the Temple and the rest of Yerushalayim continued. Ezra the scribe also arrived in Yerushalayim during this month, with the Yerushalayim's former destruction during this time likely to be heavy on his heart. Jeremiah had dealings with a false prophet during this month, 7 years before Yerushalayim's destruction.

The Fifth Month

This is one of the few months where no specific name is given for it in scripture.

2Ki 25:1-5 - Now it came to pass in the ninth year of his reign, in the tenth month, on the tenth *day* of the month, *that* Nebuchadnezzar king of Babylon and all his army came against Jerusalem and encamped against it; and they built a siege wall against it all around.
[2] So the city was besieged until the eleventh year of King Zedekiah.
[3] By the ninth *day* of the *fourth* month the famine had become so severe in the city that there was no food for the people of the land.
[4] Then the city wall was broken through, and all the men of war *fled* at night by way of the gate between two walls, which was by the king's garden, even though the Chaldeans *were* still encamped all around against the city. And *the king* went by way of the plain.
[5] But the army of the Chaldeans pursued the king, and they overtook him in the plains of Jericho. All his army was scattered from him.

Elul = “Search”

Elul carries the meaning of “search” in Aramaic and it’s an appropriate description for the biblical events in His month. In preparation for the upcoming Feast of Trumpets, a feast that commemorates the Messiah’s return, some events connected to the sixth month have some things to teach us:

1) Don't live your life as though Yahweh "sees not." (Ezekiel 12:18)
2) Those who cry out against the abominations are spared (Ezekiel 9)
3) Those who are His will have a mark on their forehead (Ezekiel 9, Revelation 7:2-3, 9:3-5, 14:1, 22:1-4)
4) We need to be building the house of Yahweh rather than focusing on our material things (Haggai 1:1-15)
5) Build the walls of your own Jerusalem (Nehemiah 6:15, Psalm 51:18, Rev. 21:9-10) by resisting the enemy’s attacks.

"*Is it* time for you yourselves to dwell in your paneled houses, and this temple *to lie* in ruins? Now therefore, thus says Yahweh of hosts: ‘Consider your ways’”

Ethanim = “Enduring”

This month is called "Ethanim" (1Ki 8:2) which means "enduring.” It’s the plural of Hebrew "Eythan" which refers to perpetual strength. This is named after the streams that would give water in spite of the dry summer months in Israel. Spiritually, those who endure until the Messiah returns will be saved (Mat 24:13). Noah endured his time on the ark (Gen 8). Will we endure to the end as we dwell in Messiah…the ark that spares us from judgment?

Lev 23:24-27 - "Speak to the children of Israel, saying:`In the seventh month, on the first *day* of the month, you shall have a sabbath-*rest*, a memorial of blowing of trumpets, a holy convocation …. "Also the tenth *day* of this seventh month *shall be* the Day of Atonement. It shall be a holy convocation for you; you shall afflict your souls, and offer an offering made by fire to Yahweh.

Lev 23:34-42 - "Speak to the children of Israel, saying:`The fifteenth day of this seventh month *shall be* the Feast of Tabernacles *for* seven days to Yahweh.
35 `On the first day *there shall be* a holy convocation. Bul = “Increase”

This month is called "Bul" in 1Kings 6:38, a time when the House of Yahweh was completely finished in all its details. We are not given a day for this event, nor exact day for the prophecy of Zechariah in Zech 1:1. Thus, they aren’t listed on this calendar. This month has the sad distinction of being the time when Jeroboam set up an alternative feast day (1Kings 12:25-33), run by an alternative priesthood. The northern tribes of Israel never recovered from this as every single one of their kings were wicked. Perhaps this is why Zechariah uttered this prophecy:

Zec 1:1-6 - In the eighth month of the second year of Darius, the word of Yahweh came to Zechariah the son of Berechiah, the son of Iddo the prophet, saying,
2 "Yahweh has been very angry with your fathers.
3 "Therefore say to them,`Thus says Yahweh of hosts: "Return to Me," says Yahweh of hosts, "and I will return to you," says Yahweh of hosts.
4 "Do not be like your fathers, to whom the former prophets preached, saying,`Thus says Yahweh of hosts: "Turn now from your evil ways and your evil deeds.'" But they did not hear nor heed Me," says Yahweh.
5 "Your fathers, where *are* they? And the prophets, do they live forever?
6 Yet surely My words and My statutes, Which I commanded My servants the prophets, Did they not overtake your fathers? "So they returned and said:`Just as Yahweh of hosts determined to do to us, According to our ways and according to our deeds, So He has dealt with us.'"

Kisleiu = “His Confidence”

In Jeremiah’s day, Yahweh gave the people of Judah the opportunity to hear the words from a scroll and come to repentance, but they did not heed.

Nehemiah lamented and fasted during this month (Nehemiah 1), desiring to return and restore his homeland. The day of the month is not given so it is not listed on this calendar. Yahweh ultimately heard his prayer.

Ezra and the children of Israel likewise prayed during this month and repented for having taken foreign wives.

We also see in Zechariah and Haggai that Yahweh is attempting to reason with His people, calling them to repentance.

The Feast of Dedication, commonly called “Hanukkah” is also during this month. While the event that is commemorated by this feast is not mentioned anywhere other than the book of Maccabees, the Messiah was at least present in Jerusalem during this month (John 8) and it’s called the “feast of dedication.” The date of the rededication of the temple is probably historically accurate. However, there is no story of the oil lasting longer than usual in the book of Maccabees. Thus, many are commemorating a miracle that is simply a legend and may have never actually occurred.

Teiveith = “Goodness”

This month marks the day when Nebuchadnezzar, King of Babylon, began his siege of Yerushalayim (2Kings 25:1-3, Jeremiah 52:4-6). For this reason, a fast is mentioned in Zechariah. We also see that the waters finally decreased on the earth to the extent that the tops of the mountains could be seen (Genesis 8:5). Also, some prophecies were uttered by Ezekiel the prophet in Ezekiel 29 and additional chapters.

2Ki 25:1-3 - Now it came to pass in the ninth year of his reign, in the tenth month, on the tenth *day* of the month, *that* Nebuchadnezzar king of Babylon and all his army came against Jerusalem and encamped against it; and they built a siege wall against it all around.

Zec 8:19 - "Thus says Yahweh of hosts:`The fast of the fourth *month*, The fast of the fifth, The fast of the seventh, And the fast of the tenth, Shall be joy and gladness and cheerful feasts For the house of Judah. Therefore love truth and peace.'

Gen 8:5 - And the waters decreased continually until the tenth month. In the tenth *month*, on the first *day* of the month, the tops of the mountains were seen.

Est 2:16 - So Esther was taken to King Ahasuerus, into his royal palace, in the tenth month, which *is* the month of Tebeth, in the seventh year of his reign.

Moshe also began to speak to Israel during this eleventh month as they were just about to enter the Promised Land. Those words ultimately became the book of Deuteronomy. Likewise, the word of Yahweh was given to Zechariah the prophet on the 24th day of this month. In the book of Zechariah we see many awesome promises for those who look forward to the restoration of Israel under the 1,000 year reign of Messiah.

Deu 1:3-8 - Now it came to pass in the fortieth year, in the eleventh month, on the first *day* of the month, *that* Moses spoke to the children of Israel according to all that Yahweh had given him as commandments to them…Yahweh our Elohim spoke to us in Horeb, saying:`You have dwelt long enough at this mountain. Turn and take your journey, and go to the mountains of the Amorites, to all the neighboring *places* in the plain, in the mountains and in the lowland, in the South and on the seacoast, to the land of the Canaanites and to Lebanon, as far as the great river, the River Euphrates. See, I have set the land before you; go in and possess the land which Yahweh swore to your fathers-- to Abraham, Isaac, and Jacob-- to give to them and their descendants after them.' Now it came to pass in the fortieth year, in the eleventh month, on the first *day* of the month, *that* Moses spoke to the children of Israel according to all that Yahweh had given him as commandments to them…"

Moshe also began to speak to Israel during this eleventh month as they were just about to enter the Promised Land. Those words ultimately became the book of Deuteronomy. Likewise, the word of Yahweh was given to Zechariah the prophet on the 24th day of this month. In the book of Zechariah we see many awesome promises for those who look forward to the restoration of Israel under the 1,000 year reign of Messiah.

Deu 1:3-8 - Now it came to pass in the fortieth year, in the eleventh month, on the first *day* of the month, *that* Moses spoke to the children of Israel according to all that Yahweh had given him as commandments to them…Yahweh our Elohim spoke to us in Horeb, saying:`You have dwelt long enough at this mountain. Turn and take your journey, and go to the mountains of the Amorites, to all the neighboring *places* in the plain, in the mountains and in the lowland, in the South and on the seacoast, to the land of the Canaanites and to Lebanon, as far as the great river, the River Euphrates. See, I have set the land before you; go in and possess the land which Yahweh swore to your fathers-- to Abraham, Isaac, and Jacob-- to give to them and their descendants after them.' Now it came to pass in the fortieth year, in the eleventh month, on the first *day* of the month, *that* Moses spoke to the children of Israel according to all that Yahweh had given him as commandments to them…"

Adar = "Glorious"

A recurring theme in the events of this month seems to be deliverance from Gentile oppression. Esther and the Jewish people were delivered from their enemies, a deliverance that resulted in the feast of Purim. Jehoiachin was delivered from Nebuchadnezzar's prison and was allowed to eat at the King's table. Considering that the Passover marked the final plague upon Egypt, it is likely that some of the earlier plagues occurred during the 12th or possibly 13th month of Yahweh's calendar. The final touches were finally placed on the House of Yahweh in Ezr. 6:15, bringing it to full completion…marking a deliverance from the Exile and full restoration of the temple. Ezekiel 33 also speaks of judgment on Egypt, a gentile nation.

Est 3:7 - In the first month, which is the month of Nisan, in the twelfth year of King Ahasuerus, they cast Pur (that *is*, the lot), before Haman to determine the day and the month, until *it fell on the* twelfth *month*, which *is* the month of Adar.

Est 9:18-19 - But the Jews who *were* at Shushan assembled together on the thirteenth *day*, as well as on the fourteenth; and on the fifteenth of *the month* they rested, and made it a day of feasting and gladness.
19 Therefore the Jews of the villages who dwelt in the unwalled towns celebrated the fourteenth day of the month of Adar *with* gladness and feasting, as a holiday, and for sending presents to one another.

Adar Bet = “Glorious”

There are no events recorded in the scriptures for this month. However, this does not mean that there was no thirteenth month in Yahweh’s calendar. Given the fact that this month does not occur but once every 3 years or so, it is less likely that significant event would have taken place.

A 13th month occurs when the 1st month of Yahweh’s year falls during a time when the month following the 12th month cannot be accurately called “month of the Aviv.” We get reports from sources in Israel to determine if the barley is at least in a stage advanced enough for parching (roasting soft barley kernels over a fire to dry them out). The High Priest would need to have harvestable barley for waving before Yahweh on the day of Firstfruits.

Deu 16:1 - "Observe the month of the Aviv (Hebrew “ha’Aviv”), and keep the Passover to Yahweh your Mighty One, for in the month of the Aviv Yahweh your Mighty One brought you out of Egypt by night.

Lev 23:14 - `You shall eat neither bread nor parched grain nor fresh grain until the same day that you have brought an offering to your Mighty One
