Lodging

Our policy is that pets aren't allowed in motel, tipis, or cabins. Pets are welcome on the campsites. We are allowing one pet maximum in the motel or in Crazy Horse 44, 45, 47, and 49, and Black Eagle 41 and 42. This would require a \$50 non-refundable deposit for each motel room or cabin, and a credit card on file for extensive cleaning and/or damage repair, determined according to the extent of the cleaning or repair if needed. For instance, if a couch or mattress had to be replaced as a result of the incident, the charge would be greater.

Lodging in the tipi would require bringing towels and bedding.

Towels and bedding (sheets, pillows, and lightweight quilts) are provided in the motel and cabins.
