    \$7.00/ person per night                      13 yrs. & older  
    Free    12 years & younger  
\$35.50/ family per night maximum

### LODGING

The campground policy is that pets are not allowed in the motel, tipis, or cabins. This is always our preference, but there are a few rooms where we will allow a pet for this event, with a \$100 non-refundable deposit, and a credit card on file for possible additional charges for extensive cleaning and/or damage repair, determined according to the extent of the cleaning or repair if needed. For instance, if a couch or mattress had to be replaced as a result of an incident, the charge would be greater. Last year some additional charges should have been applied; this year the policy will be applied.

**Towels and bedding** (sheets, pillows, and lightweight quilts) are provided in the motel and cabins.

A small heater will be provided in each cabin or motel room.
